

TRAILER DOLLY

BUILT STRONGER, TO LAST LONGER

The Strength to weight ratio of Southern Cross Dolly Trailers provides operators with in-service reliability and a trailer manufactured to cope with Australia's harshest conditions.

Custom Accessories

Optional Triaxle

Optional Mudguards

Drop Deck Drawbar

Construction

- High-tensile steel is used extensively throughout the structure to provide maximum strength.
- The entire frame is sand-blasted and prime coated prior to a superior long lasting finish in your companies fleet colours.
- The comprehensive range of suspensions, axles, landing legs, components and fittings are selected for their proven reliability.

Discuss your requirements with our sales staff today.
They will help you gain the best value from your new Southern Cross equipment.
